

The NEST Charitable Trust

News Letter

About us

The **NEST** Charitable Trust is a voluntary social service organization registered with Government under Trust Act, **Reg No. BK4/108/2018**. We are working on the three different sectors for the welfare of the community on Health, Development and Education. The motto of the Trust is **Nurture, Engage, Support, and Transform** the society.

Our Vision:

Establishment of a fair and just society without poverty, illiteracy, ill health with interdependence and fair distribution and promote family community and nations prosperity and peace.

Our Mission:

Educating people, providing healthcare solutions, initiating economic developmental activities and enhancing the quality of life of all the people with the focus on down trodden, poor and marginalized communities.

Our Goal

Overall goal of the Trust is to promote holistic development of the people incorporating the dimensions of education, health, welfare, economic development, ecology, family, society and sustainable livelihood/development.

Initial Project area : Karnampet Village

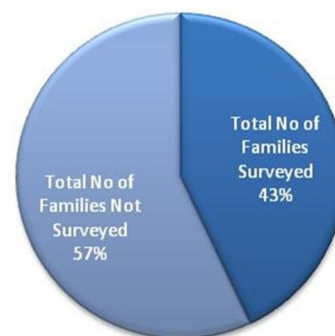

Bi-Annual Activities conducted

- Base line Survey
- Focus Group Discussion FGD
- Eye Camp
- Mobility Aids Distribution Programme
- Comprehensive Child Development Programme

Baseline survey

In Karnampet Village there are 690 families exist; Out of these, 43% (300 families) of population has been surveyed to identify the community problems and to study the background of the people in the village. This study mainly focused on socio economic health status and health care system of the community.

A Voluntary Social service Organization registered with Government under Trust Act - No: BK4/108/2018

Focus Group Discussion

List of major problems Identified:

- Difficulty to cross and walk in the steps of the Bridge
- Lack of health access
- Alcoholism
- Higher Education support
- Personal hygiene & Health Awareness
- Drainage and mosquito problem
- Requirement of tuition center for school going children
- Implementation of sandy market

- Status of SHG - Self Help Group

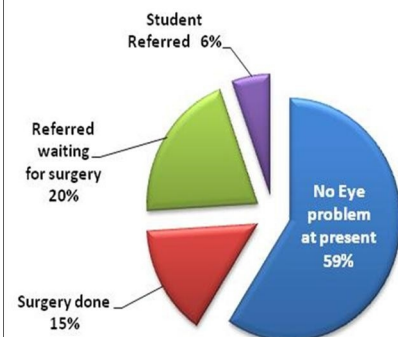

FGD have been conducted in three areas in Karnampet village with the help of the Women self help group totally 63 women have been participated. Major problems are identified and solutions are taken by the groups for the development of the own community.

Eye Camp : 7-March-2019

Being healthy is essential for all human beings for discharging their duties and responsibilities effectively. Based on the Survey done at Karnampet panchayat the trust has initially planned and organized Eye camp in the area with coordination and collaboration with Rotary Club of Vellore North, Jeyamalli International School, and SIH-R&LC Karigiri Hospital.

On 7th March-2019 the Eye camp has been conducted, around 100 patients have participated in the Camp from different places in and around Karnampet village.

After Examination of the patients the medical team referred 36 patients for Cataract Surgery at Karigiri Hospital. On the same day nine patients were taken to the hospital for surgery. And also 14 Government school children were referred for Karigiri Hospital for further treatment to use power Eyeglass.

Mobility Aids Distribution Programme: 24-May-2019

On 24th May-2019, we conducted the "Mobility Aids Distribution Programme" joining hands with Rotary Club Vellore North - distributed aids to five differently-abled persons from Karnampet Village.

Comprehensive Child Development Programme (CCDP) -13-June-2019
